THE STARS 
OF COMPASSION CAFE
 A SEASON TWO REFLECTION

Welcome to Compassion Cafe's second season, hosted this year at the fabulous Sea Shell Resort. Compassion Cafe is a public charity with a mission to provide meaningful and paid employment to persons 17 and older with special needs in the Long Beach Island, NJ area. Unlike other similar missions, Compassion Cafe is committed to hire all who seek employment with them. This model of "overstaffing" makes the Cafe entirely dependent on the goodwill of the community and it makes everything you see today possible.

We pay no rent at any of our location hosts, have a volunteer corp of 30+, have the most amazing friends, patrons, donors and support from both near and far. We are thrilled to have been featured locally as well as on MSNBC's Stephanie Ruhle Reports and NBC's Today Show. We recognize this coverage spreads our mission of opportunity for all, maybe even serving as a catalyst for more compassion and more cafes! But the greatest affirmation of the mission is seen in our staff, the real stars of Compassion Cafe.

These stars will greet you with a smile, recommend a baked goodie, wipe your table, and show you with pride the dog treat hand made by their new group of friends. They will tell you what it means to feel value and purpose in a job and to know their abilities count more than any disability. You might even catch a song, dance, or other extraordinarily delightful event. Guaranteed, these stars will fill your heart with gladness, as they do ours.

There's something really special happening at Compassion Cafe, where we're supported by a community who believe in possibilities for all. Thank you for joining us today and we invite you to spread a little "love and compassion" wherever you go.

With admiration & appreciation

Sue Sharkey, Co-Founder
